

# East Gippsland Residents – Special Offer

## Snowy River Discovery Ride - \$10 per person.

Come and explore your own back yard by bicycle!

Pedal quiet back roads and the rail trail, surrounded by farmland and forest.

Includes Bike hire and recommended route map.

Ride for just 5 km or for 45 km at your own time and pace.

We have comfortable men's and women's bikes, children's bikes, bike seat and a tagalong. All bikes come with a helmet, waterproof bike bag and the reassurance of knowing that if you have any problems we will be on hand to help out.

Snowy River Cycling is a growing local tour business operating from Orbost on the Banks of the Snowy River and we'd like locals to know our business is here.

This is a great activity for families, groups of friends, and as a team building exercise with work colleagues.
